

18W Round LED Panel Light

Part Number: **LPR18WPW**

The 18W Round LED Panel Light is a more cost-effective alternative to standard compact fluorescent fittings, providing up to a 60% energy saving. Its 'plug and play' design and small form factor make it ideal and easy to install in shallow ceilings.

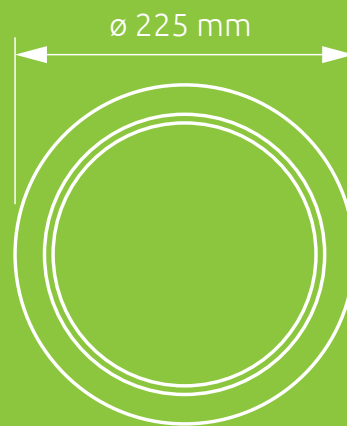

SMD LEDs
2 year warranty*
1260 lumens output
Up to 60% energy saving
50,000 hours average lamp life

* Faulty units will be replaced under warranty, providing they are returned.
The warranty does not cover any labour costs involved.

TECHNICAL SPECIFICATION

- 6000K
- 18W (240V)
- 50,000 hours average lamp life
- 2 year warranty
- Up to 60% energy saving
- CE marked and RoHS compliant

SPECIFICATION

TECHNICAL	
Power input (50Hz-60Hz AC)	18W, 240VAC
Working temperature	-20 – 45oC
Lamp type	SMD 2835
Fire rated	No
Body	Aluminium & Polycarbonate
IP Rating	IP40
LUMINESCENCE	
Colour temperature	6000K (Pure White)
Luminous flux	1260lm
Beam angle	120 (degrees)
Warm up time	Instant
EFFICIENCY	
Energy efficiency label	A+
Energy consumption	18KWh/1000h
Expected lifetime	50,000h
Building regulations – Part L	Yes
Warranty	2 years*
