

nanolight

Nanolight is the most waterproof LED sign light in the UK, sealed to IP66. The high-efficiency LED strip technology inside Nanolight consumes only 11.5 watts per metre and has an unrivalled 190 Lumens per Watt efficiency, that's an impressive 2185 lumens per metre. Premium Tridonic LED drivers are enclosed in a sleek 45mm aluminium profile. Installation is fast and easy thanks to the quick-fix brackets and our precision-engineered 'plug & play' middle connector system when linking two or more units. It is maintenance free, and with a 5 year parts warranty you can 'fit and forget'.

IP66 Waterproof
Quick-fix brackets
190 lumens per watt
5 year parts warranty
Sections up to 6100mm
Manufactured to any length*

* Minimum length 300mm. Sizes greater than 6100mm supplied in two or more sections and will be joined with a middle connector.
